# Introduction

## About me

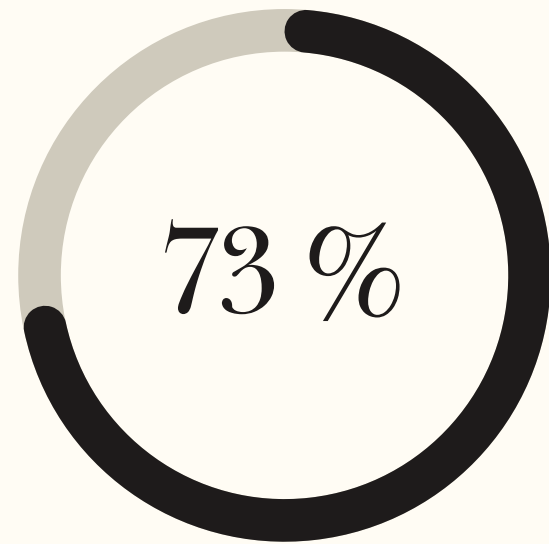

- Welcome to my portfolio! Here, you'll find my projects, skills, and aspirations as I work towards my goals.

## Future Goals

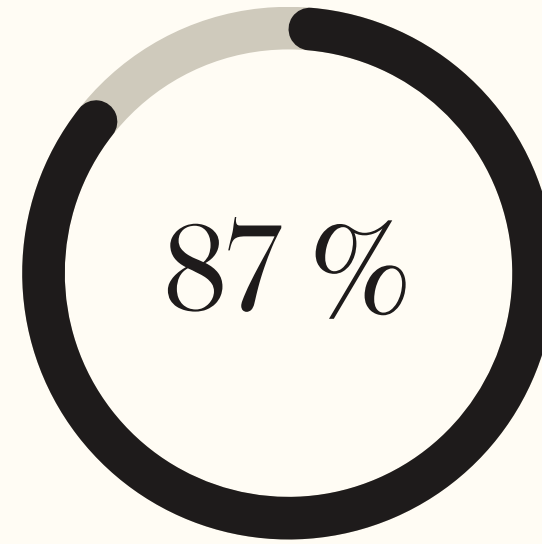

- Advance my football career and play at a professional level
  - Enhance my coding skills and work on more complex projects
  - Master trading strategies for financial growth
-

# Personal Skills

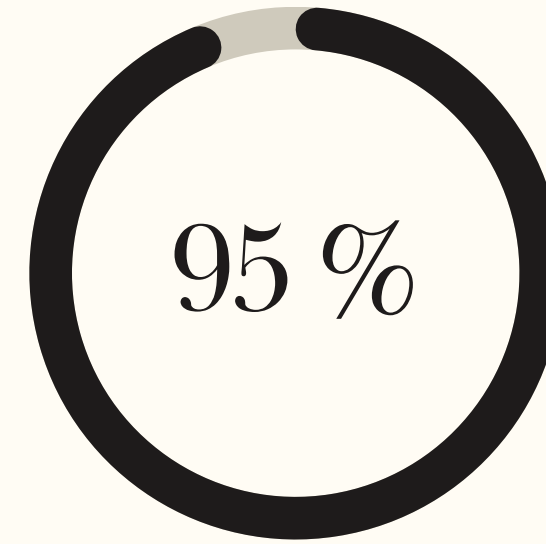

I possess strong teamwork and leadership abilities, allowing me to collaborate effectively and inspire those around me. My adaptability enables me to handle challenges and quickly learn new concepts. With excellent communication skills, I can articulate ideas clearly and build meaningful connections
